Election of Officers and Board of Directors: 2017 Updates

Due to on-going health issues, Dave Hudson, an officer/Board member since CBRA inception, is elected **Member Emeritus**. Long-time Board member George Farrell has resigned as Secretary. He and wife Kathy now reside at Edenton House, located behind the hospital in Edenton.

2016-2017 Repairs and Improvements: Although we had no storm damage last season, there were constant on-going issues with shifting sand from the boat ramp to the pier and back. Volunteers(!) replaced pier boards and stacked sandbags against the ramp. **Kudos to these tireless friends of CBRA.** Other good news: virtually NO HYDRILLA!

AGENDA ISSUES FOR DISCUSSION: Unruly inappropriate park behavior, Neighborhood Watch, NO GLASS BOTTLES!
